THE OFFICIAL NEWSLETTER OF THE ALABAMA STATE BOARD OF CHIROPRACTIC EXAMINERS

Presidential Message

I would like to welcome our two new Board staff members. Ms. Jaime Smitherman and Mrs. Kerry Forbus. Both women seem very excited and eager to help the doctors with any questions or concerns they have. Kerry will be working with new applicants and renewals. Jaime will be working complaints, newsletters and meeting agendas.

I attended the National Board of Examiners part IV test committee February 24th and 25th. I was asked to be one of 20 State Board members who participated with 20 Chiropractic College instructors in writing questions for a new Part IV. We discussed the new format and collaborated on the questions for the practical exam and what tests should be used in the clinicians decision making process. The

meeting was very interesting and allowed us to better understand today's Chiropractic education and what has changed in the past 30 years. I like the new format and I think it should allow for a much better testing of the clinician than the old format.

The Governor recently sent a series of Executive orders referencing the working of regulatory boards and agencies. The state is looking into possible consolidation of some board functions and possibly even going to a Board of operations model similar to Georgia. If any legislation is presented I urge you to reach out to your Representatives and Senators to object to the umbrella agency model. The burden I have personally experienced is a lack of continuity and no one specifically having any knowledge of a specific board since they represent many different disciplines. If this model is proposed we will let everyone know what to expect.

Board President

Meet Our New Board Member

Dr Greg Millar is originally from Cullman Alabama. Growing up he was seen by Alabama chiropractic pioneer Dr. JL Below who greatly influenced him to become a chiropractor.

He was hurt in a construction lending accident and had back surgery. What got him out of pain was chiropractic! He decided to go to chiropractic school. He graduated with honors from Life University College of Chiropractic in 1997. While at Life University he was an SI in the outpatient clinic and was elected President of the Student Body. In post graduate studies, he completed his CCEP - Certified Chiropractic Extremities Practitioner designation.

He opened his first office in Decatur Alabama in 1999. He was asked by WAAY-TV, the ABC affiliate in Huntsville, to host the MEDLine TV show where he hosted 500 shows. He went on to host BackTalk TV show with over 300 episodes.

He now operates 3 regular chiropractic offices (Madison, Huntsville, and Jones Valley) and 2 specialty offices (Millar Functional Medicine and Neuropathy Laser Center). He practices at Millar Functional Medicine three days per week and at Millar Chiropractic – Huntsville (Downtown) two days per week.

Meet Our New Staff Members

My name is Jaime Benton Smitherman and I am honored to be on staff with the Board of Chiropractic Examiners for the great state of Alabama. In my role as Administrative Support Assistant II, I will handle all Complaint's, Newsletter's, Agenda's, Board meeting minutes and assisting licensee's with questions and concerns.

I am passionate about my new position and eager to learn all that I can, to better assist you with excellence. I was born and raised in Alabama, traveled all over the United States. I made my way back to Chilton County where the peaches grow and the place I call home!! I am so blessed with six children and six grandchildren. A little about me, I am always up for adventures, listening to music, and exploring new opportunities. God Bless each of you....

For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.

Jeremiah 29:11

My name is Kerry Forbus and I am so happy to have been given the opportunity to join the staff at the Alabama Board of Chiropractic Examiners. In my role as Administrative Support Assistant, I will handle new applications, licensure, verifications, renewals and seminars as well as assisting with any other tasks as needed.

I am so excited to be part of a team and help you to be the best you can be in your profession.

I was born in Walla Walla, WA and raised in Charleston, SC. I met my husband, an Alabama boy, in 2001 and we moved to Coosa County to be near his family. We have 3 wonderful grown children, an awesome son-in-law and 4 beautiful grandchildren.

I love spending time with our large extended family, taking day trips down back country roads and traveling all over the country exploring new places.

God is within her, she will not fall; God will help her at break of day.
